Landscape: Butterfly garden is planted. Milton will meet with the engineers building to discuss tree issues.

Jung Society: The Jung Society was happy with a program they experienced at Guy Mason and donated \$500 to be used for senior programs. FOGM accepted the funds. **MOTION:** Give \$200 to the office for a petty cash fund for senior programs, receipts required. **APPROVED.**

Glover Park Day: Discussed table and volunteers. FOGM will have face painters.

Ice Cream Social: Planning for event in the park on May 16th discussed. The Great Zucchini has been booked and free ice cream will be served from 1 - 3pm.

Program Idea: Discussed an idea to host a "Kiddie Happy Hour" on/around July 3rd at the playground.

Playground: Brent from DPR/the graffiti squad has been very responsive about graffiti on the playground equipment. The bench in the house has been installed (in place of the stools). Kiosk stills needs repair as it can't be opened, Malia sent photo, Brent said okay. So far responsiveness to equipment and construction under warranty has been good. Sand issues outside the sandbox exist, brooms were suggested.

Fitness Equipment: Inspired discussion about investigating "outdoor gym" fitness equipment -- "next big thing in parks". Locations discussed. Buy in and organization discussed.
